UNPARALLELED VEHICLE PROTECTION

## A new era in vehicle Preservation & Protection with Southgate Holden.

Don't you love the feeling of stepping into a new car - that superb 'new car' scent, the pristine condition of the interior and the glorious finish of the duco? Wouldn't you want to maintain that feeling for as long as possible?

Fifth Dimension is an innovative program designed to keep your car in showroom condition for years to come, both inside & out. It's a unique mix of irresistible ground-breaking products & new ideas, like our scratch 'n dent program & new enhanced Concours P4™ Paint Protection.

And when you purchase Fifth Dimension, you'll receive a Rewards Pack that includes our environmentally friendly 'dry shampoo', that will ensure that even during times of severe water restrictions or drought, you'll still be able to keep your car in a sparkling condition.
